Dear Miss Ringo. Do you know that you owe me a letter? I wrote to you after you sent me my gift and haven't heard since. Suppose you are busy. How is school? Do you like the new supt.? How is high school this year? I like the school here very much. Teach in a brand new building and don't have to work so hard as in Perry. Teachers are very pleasant too, and our principal is fine. I have been to church here but have kept out of S. S. and B. Y. P. U. so far. Please write and tell me some Perry news. Love for you and your mother. Nebraska
